FHEA FACTS

Our membership is comprised of facility engineers and maintenance professionals from industrial buildings, schools systems, commercial buildings, universities, and healthcare facilities, along with the vendors that support them. We offer an unparalleled opportunity to network with people in the same field and to learn the latest in efficient building operation, current and upcoming trends, and applying the best technology to an ever changing environment.

The goal of the Facilities Healthcare Engineering Association (FHEA) is to advance the development engineering and facilities management in all types of facilities. This organization is organized exclusively for charitable, scientific and educational purposes and is not for profit.

Your membership into the FHEA and participation in this golf outing and the many other events held by the FHEA go to help support scholarships, meetings, and other charitable organizations we help support annually. We also hold a twice a year Sporting Clay Outing, and annual trade show. Please visit our website for great pictures from that event which continues to grow www.fheatoledo.org

If you or your organization has an idea or connection to a tour that would benefit the members and guest of the FHEA, please contact one of the Board members so it can be considered as upcoming event.
